**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am so happy with Sonic as a competitive provider I can afford three phone lines for my home business. When I had At&t I paid THREE TIMES AS MUCH for my three phone lines and had constant inaccurate billing and had to report their unethical repeated billing errors to the Communication Commissioner over and over for years on end.

Now with a competitive provider who is local and has great support services I have 100% accurate billing and I get an immediate response to any technical needs I have.

Please Please do not take away broadband.
